

Resistance Bands

If you are a casual resistance tube user or a professional taking classes we fail to see why anyone in their right mind would consider a lesser quality product. Being the lightest in the resistance tube range doesn't mean safety and quality is compromised. Multi-Strand safety for home or club use.

RRP: £10.49

Our Price: £8.39

You Save: £2.10 - 20 % Discount

The Safety Resistance Trainer resistance is offered by nylon sleeved latex tube. Compared to the stranded rubber of the resistance trainer the latex has a greater stretch capability which means the resistance is more uniform over the stretch range. Great for commercial or re-hab. (Light Resistance)
